Good evening Dr. Kaye,

I spoke with Kevin Collins this evening regarding the issues raised below:

1. Incorrect supervisor listed in PeopleSoft – This issue has been corrected. Your supervisor is now correctly reflected as Dr. Jain.
2. Incorrect amount paid for the retention bonus (.67) – Your retention bonus was calculated by Bellevue/Central Office. It is my understanding that your time has been re-reviewed by Bellevue/Central and that you will be paid for any difference to which you are entitled.

Thank you.

Dear Dr. Ford:

Dan Mundy continues to incorrectly be copied on emails related to my personnel matters at CHS.

In September when CHS occupational health sent HIPPA protected information about me to Dr. Mundy in error, I was assured by Dr. Jain that this CHS HR error was corrected, but apparently it has not been resolved.

In addition, CHS incorrectly categorized me as a part time employee of Manhattan Court Clinic. As a result, Central Office was misinformed by CHS in listing me as a 0.67 FTE when I am 1.0 FTE. This caused me to only receive partial payment of the full bonus due to me. I learned of this error over two months ago, and I have yet to receive the outstanding balance owed to me. I am very concerned that my personal data continues to be mishandled.

Thank you for your attention to this matter.

Please remove me from future emails not addressed to clinicians reporting to me at 100 Centre Street/ Manhattan FPECC. Dr. Kaye does not report to me and I need not know her licensing status.
